Residents of Metropolitan

Subject: Moisture Intrusion Detection

This is a reminder that on Thursday, July 9th from 9:00am - 5:00pm, Moisture Intrusion Detection will be inspecting your unit in conjunction with Key Claims Consulting. This inspection is a requirement for an insurance claim filed for damages from Hurricane Irma in September 2017.

Please ensure that your unit is accessible during this time. Inspections will be primarily focused on the windows and doors in your unit. The inspectors will determine which units they wish to see and we have been told to be prepared to have 100% of the units inspected.

Thank you in advance for your cooperation.

Estimated Time Onsite: 8 Hours

Best regards,

Joshua Pack
Assistant Manager, First Service Residential
Metropolitan at Lake Eola Condominium Association, Inc.
